## HAWAII FLOATS WIN WARM PRAISE

Honolulu and Hawaii nei generally received a great deal of valuable publicity as a result of the floats entered in the 1917 Tournament of Roses, held in Pasadena, Cal., on New Year's Day. Copies of the New Year's number of the Pasadena Star-News, the special Tournament edition, give liberal space to the entries made by the Promotion Committee and Mid-Pacific Carnival in the big pageant. Speaking of the Hawaiian entry, the number says:

"With entries not only from Pasadena and the surrounding cities, but from the Atlantic coast and even from distant Hawaii and Japan, the twenty-eighth annual Tournament of Roses pageant moved through the streets of Pasadena under smiling skies and was viewed by a crowd, thronged along the sidewalks for the whole distance of the parade and conservatively estimated at 150,000 persons. The pageant this year was a thing of more wonderful beauty than ever, every entry a work of art and the whole forming a procession of bewildering loveliness. The enthusiasm which greeted the floats in their two-mile long procession spoke for the appreciation of the crowds that had come to enjoy the day.

**Hawaiian Islands.**—Five girls on horseback, wearing Hawaiian costumes of purple and yellow, preceded the float entered by the Hawaii Promotion Committee of Honolulu. On the float King Kamehameha and his aides stood before their throne which was made of white carnations and violets, and Hawaiian maidens played ukuleles and sang as the float passed by. The float was elaborately decorated with marigolds and violets with a gold-fringed curtain and paintings of Hawaiian scenes. Kahili bearers accompanied the float. The girls on the float in costume were Elsie Algor, Faustine Sturdevant, Priscilla Drake, Florence Jackson, Edna Catell and Miss Diller; Eugene Drake was king and the two princes were C. V. Sturdevant, Jr. and Stanley Curtis. The girls on horse were Miss Murphy, Miss Hickmore, Miss Heistlin, Miss Maltoun and Miss Boller.

## Clear, Peachy Skin

Awaits Anyone Who Drinks Hot Water

Says an inside bath, before breakfast helps us look and feel clean, sweet, fresh.

## Sparkling and vivacious—merry, bright, alert—a good, clear skin and a natural, rosy, healthy complexion are assured only by pure blood.

If only every man and woman could be induced to adopt the morning inside bath, what a gratifying change would take place. Instead of the thousands of sickly, anaemic-looking men, women and girls, with pasty or muddy complexions; instead of the multitudes of "nerve wrecks," "rundowns," "brain fags" and pessimists we should see a virile, optimistic throng of rosy-cheeked people everywhere.

An inside bath is had by drinking each morning, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

Those subject to sick headache, biliousness, nasty breath, rheumatism, colds, and particularly those who have a pallid, sallow complexion and who are constituted very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle, but is sufficient to demonstrate the quick and remarkable change in both health and appearance, awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood while the pores in the thirty feet of bowels do.

## SAVE YOUR HAIR AND BEAUTIFY IT WITH 'DANDERINE'

Spend 25 Cents! Dandruff Disappears and Hair Stops Coming Out

Try This! Hair Gets Beautiful, Wavy and Thick in a Few Moments

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots tamish, loosen and die; then the hair falls out fast.

If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a 25-cent bottle of Knowlton's Danderine at any drug store or toilet counter; apply a little as directed and ten minutes after you will say this was the best investment you ever made.

We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of hair—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually—why not now?—Adv.

## GERMANY MUST PAY

80 BILLION DOLLARS IF FINALLY DEFEATED

[By Associated Press]

PARIS, France.—A French economist, Barthlemy Rey, who is the first Frenchman of any note to examine the subject of indemnity in detail, declares that if the entente allies victorious Germany will be called upon to pay four hundred and one billion francs, or at the normal rate of exchange, about eighty billion dollars.

He says that the central powers will be able to pay off the whole of such an indemnity in 50 years at the rate of nearly fifteen billions a year.

Summing up, according to M. Rey, on assumption that the war will continue until next July, the items of indemnity are:

Allies' state war expenses, 280 billions; allies' provincial expenses, 10 billions; allies' compensation for damage, 36 billions; allies' pensions, 75 billions. Total, 401 billions.

## AX SQUAD WRECKS CAFE

GUILTY OF BOOTLEGGING

SEATTLE, Wash.—The ax squad of the police department was set to work in an uptown cafe recently and everything in the place was destroyed. The place was padlocked by the police after they had purchased liquor with marked money, they say. The demolished bar and fixtures were valued at several thousand dollars.
